

Roles and Responsibilities of Advisory Board Members (ABMs)

Int. J. of AI and Knowledge Engineering (IJAIKE)

Role:

- **Provide Expert Advice:** Offer guidance and recommendations to enhance the journal's strategic direction and overall quality.
- **Network Expansion:** Utilize your professional network to attract high-quality manuscripts and potential collaborators.
- **Promote the Journal:** Act as an ambassador for the journal, promoting its mission and values within the academic and professional communities.
- **Advise on Policy:** Help shape policies and procedures that govern the journal's operations and ethical standards.

Responsibilities:

- **Strategic Guidance:** Participate in strategic planning discussions to identify new directions, topics, and initiatives for the journal.
- **Manuscript Recommendations:** Suggest potential reviewers and guest editors, and recommend manuscripts that align with the journal's aims and scope.
- **Quality Assurance:** Ensure that the journal maintains high academic and ethical standards by providing feedback on submitted manuscripts and published content.
- **Editorial Support:** Assist the editorial board with special issues, themed sections, and other content-related initiatives.
- **Outreach and Engagement:** Engage with the journal's readership and contributors to foster a sense of community and collaboration within the field of AI & KE.

Benefits of Joining as an Advisory Board Member (ABM)

Professional Growth:

- **Recognition:** Be acknowledged as a valued member of the Advisory Board, with your name listed on the journal's website and publications.
- **Publication Opportunities:** Enjoy the opportunity to submit papers with discounted submission fees and gain early access to cutting-edge research.
- **Access to Research:** Enhance your knowledge by accessing the latest research papers in the field.
- **Networking:** Build connections with leading professionals and academics, opening doors to new collaborations and career opportunities.

Impact and Contribution:

- **Shape the Future:** Play a pivotal role in shaping the direction and future of the journal and the field of AI & KE.
- **Mentorship:** Provide mentorship and guidance to emerging researchers, helping them grow and develop their careers.
- **Innovation:** Contribute to the advancement of AI & KE by supporting innovative research and initiatives.

Why Join? If you are passionate about artificial intelligence and knowledge engineering, joining the IJAIKE Advisory Board offers a unique opportunity to make a significant impact. Engage with cutting-edge research, collaborate with leading experts, and help shape the future of AI & KE. This role provides endless opportunities for professional development, networking, and contributing to the growth and excellence of the journal.
